Remembering 2012

Take some time to reflect on 2012.

What are some “standing stones” in your life this year where God has worked in your life?

As you reflect on 2012, what are you thankful for?

As you reflect, where would your life benefit from a course correction?

- Trusting God involves doing what He said. This brings about a spiritual transformation (course correction).
- What do the following verses tell us about what happens as a result of that spiritual transformation?
- 2 Corinthians 5:17
- Romans 5:1
- Romans 8:1-2
- Galatians 2:20

Looking Forward:

Write a prayer list of things you will trust God to see come to pass in your life.

What changes do you want to see in your life in 2013?

What growth steps do you want to take with God?

What do you need to entrust God with?
