### 2. Because of your giving, God is changing lives.

## Gratitude is the byproduct of serving and giving.

## Gratitude is the only way in and the only way out.

Psalms 100:4-5, Acts 16:22-26

## Gratitude is never invisible or silent.

Luke 6:45

## Gratitude begins where my sense of entitlement ends.

Psalms 103:1-5

## Grateful people can:

*Find a blessing, enlarge a blessing or create a blessing in almost any situation.*

## Food for thought: Talking over the message helps you turn what God is saying to you into action steps

Who in your church has affected you in a positive way? How have they affected you?

Where might God be calling you to serve and give in your church? If you are already serving and giving, how has it affected you?

What does your church mean to you?

What things has God done in your life that you are grateful for?

Would you describe yourself as a grateful person? Why or why not?

Who do you need to show gratitude to? How will you go about doing it?
