What is your attitude toward people who are far from God?

## **PRAYER TIPS:**

Use these prayer tips to talk it over with God:

- Father, The church is your creation and you love it like a husband loves his wife. Help me to have a heart to love my church. Help me to give grace to the church's shortfalls and celebrate it's successes. Please remind me that I am your church. I am responsible to show your love to the people around me.
- Father I ask that you would bless Real life Church. Give us everything we need to fulfill your calling on our lives. Help us to be a people of vision and courage.
