

## The story

Genesis 1-3

## His story, our story

God intimately created us in His image.

We were created to work with God.

We were not created to go it alone.

God has provided a way back.

## Food for thought

As you meet with your Life Group this week, use the following questions to continue the conversation. Have a great meeting.

### DIGGING DEEPER

Being created in God's image means there is intrinsic value and worth for all humans. In Psalms 8, David wrestles with the implication of this in his own life. What does he conclude about God and our value and worth in this Psalm?

How do the following passages help your understanding of your value and worth?

Ephesians 2:10

1 Corinthians 6:18-20

Luke 12:6-7

Based on what you heard in the message and your answers to this question, what would you share with someone who was struggling with low self-esteem or self-worth?

## **PRAYER TIPS:**

Use these prayer tips to talk it over with God:

- Father I ask for you to reveal to me my true value that is found only in you. I will live my life through the power of this truth.
- Father I have been created to work with you and in union with the Holy Spirit. I want to do what you have created me to be. Help me to be open to your leading and courageous in following you.
