Take some time to reflect on 2014

What are some “standing stones” in your life this year where God has worked in your life?

As you reflect, where would your life benefit by marking the good things God has done in you, for you, and through you?

- Trusting God involves doing what he said. This brings about a spiritual transformation (Good in us).

- What do the following verses tell us about what happens as a result of that spiritual transformation?
 - o 2 Corinthians 5:17
 - o Romans 5:1
 - o Romans 8:1-2
 - o Galatians 2:20
