

Luke 2:8-18

Joy is:

- a bi-product of trusting God.
- not faking or pretending everything is ok.

What do we do with a gift?

- Joy is a gift from God that comes through our relationship with Him. John 15:9-11
- The shepherds took ownership of the good news given to them. Psalms 33:20-22
- They shared it! Luke 15:16; Galatians 5:22; Mark 10:45

What are you going to do with it?

- Accept it
- Nurture it
- Pass it on
