My Connection

Was there something that caught your attention, challenged, or confused you from Sunday's message? If so, share...

What name do you go by and is it what your parents gave you? Why or why not?

Do you know what your name means?

Are names important? Explain.

Digging In

In Scripture, names were very important. Your name was connected to blessing, family, inheritance, and future direction. Names were used to establish identity and a person's rich history.

Read Isaiah 9:6-7.

Matthew, Mark and John reveal to us that Jesus is the "son given to us" (Matthew 4; Luke 1 & John 8). List below what he is called:

**Future study idea for personal growth: Read through the story of Jesus (Matthew, Mark, Luke or John) and highlight where Jesus gives wisdom and*

council; displays His power as God; shows unity with the Father and gives peace.)

What examples can you think of from Jesus' life where He is shown living out these names through what He did?

Read Matthew 23:37-38.

The Prince of Peace desired to give His people protection and peace. Why couldn't He?

Take a moment to look at your life... Have there been times looking back where you missed what God had for you because of your sin or stubbornness, unbelief or mistrust?

Jesus wants us to get it, to hear his life-changing invitation to come and to be identified with him and life!

Read Matthew 11:28-29

What is Jesus' intention for us to experience when we answer the call to follow?

How can this passage help when you're feeling burdened or overwhelmed?

What one burden do you want to trust Jesus with today?

This week's Challenge: Be willing and open to be taught by Jesus through the Holy Spirit. It will be so worth it!
