Connecting

Looking back over your notes from Sunday, was there something that stood out that you would like to share?

What is the first word that comes to mind when you hear the word "Spring"? Why?

Have you ever gone out on a walk to listen and talk with the Lord? (If you haven't yet, try it!) What did you learn from that experience?

Digging Deeper

The Gospel (the Good or Joyful Message) is the proclamation of the forgiveness of sins and son-ship with God restored through Jesus. It means the cancelation of sins and renewed relationship with God. It is a gift to be received that God freely offers.

The Gospel is Jesus: He is the subject of it, the object of it, and the life of it. It is His message and His teaching. And as the gospel is bound up in the life of Christ, His biography and the record of His works, and the proclamation of what He has to offer, are all gathered into this single word: Gospel.

Read Colossians 1:3-8.

Why is Paul so thankful?

Why can it be difficult to share this joyful message you've received with others?
