Five P's of Bible Study by Priscilla Shirer

1. **Position** yourself to hear from God.
2. **Pore** over the passage and paraphrase the major points.
Look for the who, what, when, where, and why of the verse.
3. **Pull** out the spiritual principles.
What is God teaching? What is He revealing about Himself?
4. **Pose** the question.
Form a personally directed question from each of the spiritual principles.
5. **Plan** obedience and pin down a date.
God speaks to be obeyed—not just to hear Himself talk.
