
We are for second chances because God is.

1 Corinthians 12:4-7

Second chances are for:

John 4:1-26 | Luke 19:1-9 | Acts 9 | John 18:15-18, 25-27

- You.
- Others.
- Us.

Second chances are vs. what they are not:

Philippians 4:13 | Proverbs 17:22 | Romans 5:5

- Keep moving forward vs. Get out of jail free card.
- Forward movement vs Stuck in the past.

I need to give a second chance to:

- God
- Myself
- _____ (intentionally blank)

What insight, question, or resolution did you discover from our time of worship together on Sunday?

What have you enjoyed the most about this fall session of Life Groups?

What are one or two ways your group can stay connected through the winter break?

Connect to God's story

Read Lamentations 3:19-26.

What does the author of Lamentations remember to renew his hope as he is journeying through great despair?

What are things you remember when you find yourself going through a rough patch? Why do you think that going through a painful experience can make things difficult to remember?

The author twice mentions waiting on the Lord. What does that look like? What's the hardest part for you about waiting on the Lord?

If God's character is to give mercy and kindness that is new every morning, what does that mean for us who desire to become more and more like Him?

What's the hardest part for you about giving others second chances or believing you've been given another chance by those who love you?

During this last Life Group meeting this session, our groups get the opportunity to take communion together. Do this together with thanksgiving and celebrate the new life Jesus gives us, the grace his actions pour out on our lives, and to remember His death until He returns.

there will be great thanksgiving,
and God will receive more and more glory.”***
